

Health and Safety Policy of Mapei UK Ltd

The company will never allow circumstances to arise that will lead to unacceptable levels of risk to the Health and Safety of Workers, Customers, Contractors, Suppliers, Visitors and the General Public.

This will be assured by professional management of Health and Safety within the company and commitment by all the management team to provide safe and healthy working conditions for the prevention of work related injury and ill health, and increased awareness of Health and Safety issues through commitment to:

- Ensure Occupational Health and Safety Risk Assessments are carried out and regularly updated to reflect changing circumstances with the focus towards continual improvement and that opportunities for improvement are exploited.
- Protect the Health and Safety of workers, local communities, Contractors, Customers and the General Public from harm.
- Manage Industrial and Commercial activities in compliance with current legislation and other Health, Safety and Environmental requirements to which the Company subscribes and the Mapei Italy Corporate policy.
- Ensure the active participation of all workers in the process of safe guarding Occupational Health and Safety within the Company, including themselves, their colleagues and others.
- Maintain the continued awareness of Health and Safety requirements through the active consultation and participation of workers in Safety Committees,
- Maintain and promote a culture of incident reporting as part of our commitment to eliminate hazards and reduce Occupational Health and Safety risks.
- Maintain continual improvement in all areas of the company, including activities performed externally. This will be achieved through the setting of goals and objectives with continuous monitoring of Key Performance Indicators
- Support the Corporate Commitment to the Chemical Industries **Responsible Care®** Program and Social Accountability.
- Communicate this policy to all workers, other persons working on behalf of the Company and ensure it is available to the Public and Interested Parties.
- Review of this Policy, Objectives, Targets and KPI's will be performed at each formal Management Review meeting as a standard part of the agenda.
